The following are the rules and regulations for Metal Detecting activities:

Definitions:

- “Recent Coins” shall mean coins still in common circulation and/or of a value of less than \$25 (“Nominal Value”).
- “Significant Object(s)” shall mean any object of a historical, paleontological, or archaeological nature, or any coin or object whose value significantly exceeds its face value. A Recent Coin is not a Significant Object.
- “Officer” shall collectively mean any officer from the New York City Police Department (“NYPD”) and/or Parks Enforcement Patrol (“PEP”) and/or Urban Park Ranger (“UPR”) Division.
- “Native Vegetation Area” shall mean any area where any species of native (i.e., North American) plants are naturally growing and reproducing. Lawn areas are not native plant areas.
- “Ball-fields” shall mean areas designated for athletic activities including but not limited to baseball, softball, soccer, football, cricket fields and bleacher/dugout areas etc.
- “Woodlands” shall mean land with dense coverage of trees, shrubs or bushes.

Permit Conditions:

1. Metal Detecting activity on Parks’ property requires a valid permit from Parks.
2. All recovered Significant Objects must be reported to the Urban Park Service (212.360.2778) within 48 hours of finding. Applicant shall submit a photo of the Significant Object to Parks upon request. Parks will determine whether to retain title and possession of the recovered Significant Object(s).
3. Every reasonable effort will be made by the Agency to publicly display all such recovered Significant Objects retained by the Agency on an annual basis. Such displays shall include appropriate acknowledgements regarding Applicant’s involvement.
4. Any identifiable property found by Applicant (such as jewelry or other tangible items) must be turned over to Parks for delivery to the local NYPD precinct where applicable procedures will be followed. NYPD will provide Parks with a receipt and hold the object(s) for a determined period of time while Applicant assists NYPD in locating a proper owner of the lost property.
5. Applicant shall show all found objects in his/her possession to any Officer upon request.
6. Applicant shall use hand tools that can be used by one hand only for Metal Detecting. Hand tools shall be limited to 4 inches wide and 12 inches long.
7. Applicant shall restore any disturbed area to its original condition by removing all evidence of digging and/or probing. All trash, litter or other debris uncovered must be removed and placed in an approved trash receptacle.
8. Probing or digging is strictly prohibited within 25 feet of a tree or within the drip line of the tree, whichever is greater, and in the following areas: Ball-fields, manicured lawns, newly seeded lawns, flower bed/gardens, Woodlands, Native Vegetation Areas, or any other area restricted by signage.
9. Applicant shall comply with any directives to move or cease their actions by any Parks or City official.
10. Applicant shall not go into any closed beach areas. Areas may be closed due to endangered species (24 hours per day, April 15 through Labor Day), dangerous conditions (at all times), or the absence of Lifeguards (10am-6pm, Memorial Day through Labor Day).
11. Each year, Applicant shall provide a list of all Significant Objects found under a duly issued Parks permit to the Parks’ Urban Parks Service Division **before any new permit** will be issued.

I hereby certify that the information I have provided on this form is complete and accurate to the best of my knowledge. I agree to abide by the terms set forth in this application, the metal detecting rules attached to this application and the Rules & Regulations of the City of New York/Parks & Recreation. I understand that failure to do so may lead to the cancellation of the permit, the denial of future permit applications, or other legal action by Parks.

In addition, I hereby acknowledge and agree that any and all objects I find while metal detecting on City owned property shall, at the option of Parks, become the property of the City.
