

Adopt-a-Bench in a NYC Park!

New York City Parks & Recreation maintains nearly 29,000 acres of greenspace or about 14% of New York City's total land area. All these spaces and facilities add immensely to the quality of life of 8 million New Yorkers by providing an escape from their urban environment. We are dedicated to maintaining and improving these havens throughout the five boroughs, and we could use your help!

What better way to enjoy a spring afternoon than on a bench in your favorite park? Provide a comfortable seat for your neighborhood while leaving the message of your choice behind for future generations to read and enjoy.

Donations beginning at \$2500.00 will pay for the installation of a personalized message on a plaque for your favorite park bench.

Our benches have been used for marriage proposals, memorials, birthday wishes, and miscellaneous manifestos. What do *you* want to say?

Plaque Details
