IDEAS FROM NEW YORKERS

THE PARK AND GREAT PROMENADE
WOULD BE A GREAT PLACE TO...

WHAT DO YOU WANT TO DO IN YOUR NEW PARK?

I've always wanted to:
Ride a bike with my whole family...
Walk barefoot all afternoon...
Grill and fly kites....
Sunbathe with a view of the Statue of Liberty...

Add your own ideas to the map on this wall. Grab a Post-it® on the table behind you and tell us what you want in the future park.

We will share your comments with the park designers. You will have many more opportunities to see the ideas they develop and tell us what you think.
