Statement of Basis and Purpose

The Department is revising § 2-13 and § 2-14 of Chapter 2, Title 56 of the Rules of the City of New York. The revised rules establish new membership fee categories for the Ocean Breeze Park Track & Field Athletic Complex and the City's recreation centers, with a reduced membership fee for veterans and people with disabilities. The rules also create practice fee categories for veterans and people with disabilities at the Ocean Breeze Park Track & Field Athletic Complex.

The purpose of these rules is to:

- Provide more recreational opportunities for veterans and individuals with disabilities at the Department's facilities by reducing membership fees for these groups.
- Honor our veterans by offering them affordable access to opportunities to be healthy and active members of our community.
- Ensure individuals with disabilities can enjoy the accessible amenities and adaptive programming offered at our facilities.
- Provide greater access to opportunities for social engagement, community interaction, and healthy exertion provided by the Department's facilities.

The rule also establishes identification requirements for the young adult and senior membership categories.

The Parks Department's authority for these rules is found in Sections 389, 533(a)(9), and 1043 of the New York City Charter.
