**Permit Conditions:**

2. All recovered Significant Objects must be reported to the Urban Park Service (212.360.2778) within 48 hours of finding. Applicant shall submit a photo of the Significant Object to Parks upon request. Parks will determine whether to retain title and possession of the recovered Significant Object(s).

4. Any identifiable property found by Applicant (such as jewelry or other tangible items) must be turned over to Parks for delivery to the local NYPD precinct where applicable procedures will be followed. Areas may be closed due to endangered species (24 hours a day, April 15 through Labor Day), dangerous conditions INCLUDING STORM DAMAGE (at all times), or in the absence of Lifeguards (Lifeguards are typically on duty 10:00 A. I agree to abide by the terms set forth in this application, the metal detecting rules attached to this application and the Rules & Regulations of the City of New York Parks & Recreation.
