OVERNIGHT CAMPING ADVENTURE

An exciting way to spend the night! Participants will pitch a tent, explore the night life of the park then sleep under the stars. Up to 30 participants and 10 chaperones. A minimum ratio of 10 youth to 1 chaperone must be abided by. Program starts at 6:00pm and ends at 7:00am. Tents are provided. Food is not provided. Participants must provide their own sleeping bags / blankets, flashlight, snacks, water bottle and insect repellent. Ages 4 and up. Locations vary. Call for availability.

NYC Parks

What are Custom Adventures?

Custom Adventures are a unique opportunity for youth and camp groups to experience outdoor recreation in a safe, fun-filled environment with the Urban Park Rangers. Programs are a full day and consist of two activities chosen by the group.

Prices: \$250 for a Custom Adventure for up to 30 youth.

\$750 for a Custom Adventure for up to 30 participants ages 18-24.

\$1,000 for a Custom Adventure for up to 30 Adult/Staff Development group participants.

\$500 for an Overnight Adventure for up to 30 youth participants and 10 chaperones.

\$1,500 for an Overnight Adventure for up to 30 participants ages 18-24.

\$2,000 for an Overnight Adventure for up to 30 Adult/Staff Development group participants.

Location: Custom and Overnight Adventures are offered in all 5 boroughs in New York City. Some activities can only take place in specific parks. We work with you to choose the park that best suits your travel and other requirements and will provide the highest quality experience!

Descriptions:

Canoeing: Immerse your participants in a swashbuckling water adventure through NYC's best water bodies. The group is given instructions on how to safely operate the canoe before exploring the water wonders of NYC Parks. Participants must fit securely into a personal floatation device.

Seining: Water comes to life when participants don waders and nets to explore the aquatic underworld. Fish, crabs and jellyfish are only a few of the creatures participants may discover.

Fishing: Participants are taught all about the amazing adaptations and anatomy of fish before being briefed on safety procedures for fishing. Each is given a fishing pole and bait and is instructed on the basics of fishing.

Archery: Do your campers have what it takes to hit the mark? Give them a shot at hitting the target. Participants are taught how to use a bow and arrow including safety procedures, how to hold the bow, knock an arrow, aim, and shoot.

Nature Exploration: Take a walk on the wild side! Participants explore NYC Parks searching for insects, snakes, trees, flowers, rocks, birds, and more on their quest to discover hidden wonders.

Orienteering: Participants will learn how to use a compass and read a map to find their way through the wilderness. No Smartphone needed!

Wilderness Skills: Participants will be introduced to outdoor survival theory and demonstrate basic outdoor skills. This program covers planned (camping), and unplanned (being lost) survival situations.

Portable Adventure: Participants take part in team dynamics through a series of icebreakers, teambuilding initiatives and problem solving activities. It encourages participants to explore effective problem solving skills beyond what they would typically consider.

NYC Parks

Animal Adventures: This program is designed to engage younger participants' curiosity in animals of the park. Participants will explore the wonders of the animal world as they use nets to collect insects, roll over logs and explore natural ecosystems.

Into the Wild: This program will give younger children an amazing experience exploring the park. Participants will discover the wonders of the natural world while gaining an appreciation for the plants and animals that surround them. Ages 4-7.

Who Lives Here: Animals need homes too! Participants will be amazed to discover the wide variety of natural homes that animals make. See if you can spot one! Ages 4-7.

Find My Way: Look at the parks in a new light! Participants will use a basic map to find their way through the park using simple observation skills. Ages 4-7.

Water Wonders: Get up close and personal with fish, crabs and jellyfish in this unique experience. Participants will use nets to catch and observe a plethora of native creatures. Ages 4-7.

To submit your completed reservation form, send it to the borough where you would like the program to take place.
