WHEREAS, Parks and Licensee desire to enter into this License Agreement specifying rights and obligations with respect to the operation of free and fee-based rowing programs, and the maintenance and operation of the Licensed Premises.

NOW THEREFORE, in consideration of the promises and mutual covenants contained herein, the City and Licensee hereby do agree as follows:

ARTICLE 1 GRANT OF LICENSE

1.1 Parks hereby grants to Licensee and Licensee hereby accepts from the Commissioner this License to use, occupy, maintain, and operate the Licensed Premises for the purposes specified herein, in accordance with the terms and conditions set forth herein to the Commissioner's reasonable satisfaction.

1.2 The Commissioner shall not issue a new license for the Licensed Premises to another party, including a party providing waterfront activities at the Licensed Premises during the Term, as defined in Section 4.1 below. Notwithstanding the aforementioned, Parks shall continue to issue boating permits to the general public allowing for use of the Docks and the Sherman Creek Park. Whenever any act, consent, approval, or permission is required of the City, Parks, or the Commissioner under this License, the same shall be valid only if it is, in each instance, in writing and signed by the Commissioner or Commissioner's duly authorized representative. No variance, alteration, amendment, or modification of this instrument shall be valid or binding upon the City, Parks, the Commissioner or their agents, unless the same is, in each instance, in writing and duly signed by the Commissioner or commissioner's duly authorized representative.

1.4 Licensee is hereby authorized and agrees to provide the following at the Licensed Premises:

Licensee may install Sponsorship Recognition for a Sponsor, all subject to the prior written approval of Parks, including, but not limited to, approval over the size, quantity and location of such Sponsorship Recognition and shall be subject to applicable laws, rules and regulations. Licensee may submit to Parks for its approval, proposed plans or mock-ups for Sponsorship Recognition, and if Parks approves any such proposed plans or mock-ups, then Licensee shall be entitled to use Sponsorship Recognition without any further approval of Parks so long as such Sponsorship Recognition is not materially different from the proposed plans or mock-ups theretofore approved by Parks. In recognition of the commercial exigencies of product promotions, Licensee shall submit to Parks for its approval Sponsorship Recognition or related plans or mock-ups promptly after any of the foregoing is available, and Parks shall endeavor in good faith to review any submissions and respond with its approval or comments as expeditiously as practicable.

ARTICLE 4 TERM & TERMINATION

4.1 This License shall become effective upon registration with the Comptroller’s Office and commence upon the date written in a written “Notice to Proceed” (the “Notice to Proceed”) issued to Licensee (“Commencement Date”) and, unless terminated sooner in accordance with this License Agreement, shall terminate twenty (20) years from the Commencement Date (“Termination Date” or “Expiration Date”). The period between the Commencement Date and the Expiration Date shall be referred to as the “Term.”

4.2 Notwithstanding any language contained herein, this License is terminable at will upon the Commissioner’s written notice at any time; however, such termination shall not be arbitrary and capricious. Such termination shall be effective twenty-five (25) days after written notice is sent to Licensee. The Commissioner, the City and its officials, employees, and agents shall not be liable for damages to Licensee resulting from an early termination of this License as provided for herein. If such notice is not given, this License shall terminate as otherwise set forth in this Article 4.

4.3 Intentionally left blank.

4.4 Licensee shall, upon the expiration or sooner termination of this License, remove all personal possessions owned by Licensee from the Premises and leave the Premises in as good or better condition as at the Commencement Date, reasonable wear and tear excepted. Licensee acknowledges that any personal property remaining on the Premises after the expiration or sooner termination of this License is intended by Licensee to be abandoned. Licensee shall remain liable to the City for any damages, including lost revenues and the cost of removal or disposal of

property, should Licensee fail to remove all possessions from the Premises during the time prescribed in this Agreement.

4.5 Parks may terminate this License for cause as follows:

(a) Should Licensee or any sublicensee breach or fail to comply with any of the provisions of this License or any Federal, State or local law, rule, regulation or order affecting this License, such sublicensee or the Licensed Premises, the Commissioner shall in writing order Licensee to remedy such breach or failure. If Licensee fails to remedy such breach or failure within thirty (30) days following the mailing or other transmission of such written order, then the Commissioner shall have the right to terminate this Agreement. Notwithstanding the foregoing, if such breach or failure cannot be remedied within such thirty (30) day period given the nature and scope of such breach or failure or due to reasons beyond Licensee's control, as reasonably determined by Commissioner, the cure period shall be extended for such period as may be reasonably necessary in the Commissioner's reasonable judgment to cure such breach. If such breach or failure arises from the acts or omissions of a sublicensee, as reasonably determined by Commissioner, the cure period shall be reasonably extended by Commissioner beyond such thirty (30) days (not to exceed an additional 30 days) to give Licensee time to induce such sublicensee to comply with such breach or failure or, if such sublicensee fails to remedy such breach or failure in a timely manner, for Licensee to terminate the applicable sublicense and regain possession of the sublicensed Premises. If a breach or failure to comply is corrected in accordance with this Section 4.5(a), and a repeated violation of the same provision, law, rule, regulation or order follows within a twelve (12) month period thereafter, Commissioner, by notice in writing, may revoke and terminate this License, such revocation and termination to be immediately effective on the mailing or other transmission thereof.

(b) The following shall constitute events of default for which this License may be terminated on one (1) days notice: the appointment of any receiver of Licensee's assets; the making of a general assignment for the benefit of creditors by Licensee; the occurrence of any act which operates to deprive Licensee permanently of the rights, powers and privileges necessary for the proper conduct and operation of this License; and the levy of any attachment or execution which substantially interferes with Licensee's operations under this License and which attachment or execution is not vacated, dismissed, stayed or set aside within a period of sixty (60) days.

4.6 Upon the expiration or sooner termination of this License by the Commissioner, all rights of Licensee and any sublicensee shall be forfeited without claim for loss, damages, refund of investment or any other payment whatsoever against the Commissioner, Parks or the City.

4.7 Licensee agrees that upon the expiration or sooner termination of this License, it shall immediately cease operations and cause any sublicensee to cease all operations pursuant to this License and shall vacate and cause any sublicensee to vacate the Licensed Premises without any further notice by the City and without resort to any judicial proceeding by the City. Upon the expiration or sooner termination of this License, the City reserves the right to take immediate possession of the Licensed Premises.

4.8 Licensee shall, on or prior to the date that is fifteen (15) days following the expiration or sooner termination of this License (the fifteen (15) day period beginning on the expiration or

sooner termination of this License being the “Removal Period,” and the last day of the Removal Period being the “Removal Deadline”), remove from the Licensed Premises and shall cause any sublicensee to remove, all Expendable Equipment, all Capital Improvements and Alterations or minor alterations that are not Additional Fixed Equipment, and Additional Fixed Equipment to which the City has not taken title pursuant to Sections 6.1, 8.23, or 9.2(b), as applicable (such equipment being “Removal Equipment”). Licensee acknowledges that any Removal Equipment remaining on the Licensed Premises after the Removal Deadline shall be deemed to be abandoned. Licensee shall remain liable to the City for the cost of removal or disposal of Removal Equipment, should Licensee fail to remove all Removal Equipment from the Licensed Premises by the Removal Deadline. During the Removal Period, Licensee shall have the right to enter the Licensed Premises to remove any Removal Equipment, provided that Licensee shall maintain the insurance required by Article 26 hereof during the Removal Period and shall indemnify, defend and hold the City and its officials and employees harmless against any and all claims and demands of third parties for injury, including death or property damage arising out of any such entry and removal, and all liens, judgments, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature (including, without limitation, reasonable attorneys’ fees and disbursements), arising from any such claims or demands. In addition, if the removal of Removal Equipment results in damage to the Licensed Premises and Licensee or such sublicensee fails to repair such damage to the Commissioner’s reasonable satisfaction and upon such deadline as reasonably determined by the Commissioner, then Licensee shall be responsible for the cost of such repair which shall be promptly paid to Parks upon Parks’ written demand to Licensee (the cost of such removal and the cost of such repair being collectively, “Removal Costs”).

4.9 In addition to Removal Costs, Licensee shall be liable to Parks for the following damages if Parks terminates this Agreement pursuant to Section 4.5:

(a) if Parks terminates this Agreement pursuant to Section 4.5 on account of the failure of Licensee to comply with Licensee’s maintenance obligations under this Agreement, the reasonable costs borne by Parks to perform the specific maintenance obligations that Licensee failed to perform in accordance with this Agreement, and

(b) if at the time of any such termination, Licensee commenced an Alteration and fails to complete such Alteration, Licensee shall be liable for the cost to complete such Alteration which shall be promptly paid to Parks upon Parks’ written demand to Licensee; provided, however, that unless the performance by Licensee of such Alteration was the basis for Parks terminating this Agreement pursuant to Section 4.5, at the parties’ mutual election Licensee shall have the right to complete such Alteration at Licensee’s expense and the termination of this Agreement on account thereof shall be suspended until such Alteration is completed to the extent necessary for the purposes of completing such Alteration. During such time, the Insurance and Indemnification requirements of this Agreement shall remain in force. Except for Removal Costs and such other damages and other sums as are set forth in Sections 4.8 and 4.9, Licensee shall not be liable to Parks for any damages if Parks terminates this Agreement pursuant to Section 4.5. Except for Removal Costs, Licensee shall not be liable to Parks for any damages if Parks terminates this Agreement pursuant to Section 4.2.

4.10 If this License is terminated as provided in Section 4.2 or 4.5 hereof, and/or upon the expiration of the License, Parks may, without notice, re-enter and repossess the Licensed Premises

without being liable to indictment, prosecution or damages therefor and may dispossess Licensee and any sublicensee by summary proceedings or other legal means.

4.11 Except as otherwise provided in Section 4.9, if this License is terminated as provided in Section 4.5 hereof, Parks may complete all repair, maintenance and construction work required to be performed by Licensee or any sublicensee hereunder and may repair and alter any portion(s) of the Licensed Premises in such manner as Parks may deem necessary or advisable, which will not be at Licensee's expense, and Parks may relicense the Licensed Premises or any portion thereof for the whole or any part of the remainder of the Term or for a longer period. Parks shall in no way be responsible or liable for any failure to relicense any portion(s) of the Licensed Premises or for any failure to collect any fees due on any such relicensing, and no such failure to relicense or to collect fees shall operate to relieve Licensee of any liability under this Agreement or to otherwise affect any such liability.

4.12 No receipt of moneys by Parks from Licensee or any sublicensee after the termination of this License Agreement, or after the giving of any notice of the termination of this License Agreement, shall reinstate, continue or extend the Term or affect any notice theretofore given to Licensee or any sublicensee, or operate as a waiver of the right of Parks to recover possession of the Licensed Premises by proper remedy.

4.13 In the event this License Agreement is terminated, Parks will not reimburse Licensee's or any sublicensee's unamortized capital improvement cost.

ARTICLE 5 MAINTENANCE AND OPERATIONS

5.1 Maintenance. Licensee shall at its own cost and expense perform, or cause third parties to perform, maintenance, and in cooperation with Parks, make repairs to the Premises to the Commissioner's reasonable satisfaction in accordance with the standards set forth herein. Licensee shall perform all such maintenance and repair in a good and workmanlike manner. Licensee shall use its best efforts to achieve compliance with the rating standards for all enumerated categories set forth in the Parks Inspection Program (PIP) Manual, attached hereto as **Exhibit E-1**, and the Recreation Evaluation and Center Assessment Program Manual (2010 Edition), attached hereto as **Exhibit E-2**, both incorporated herein by reference.

5.2 Licensee at its sole cost and expense shall be responsible for all daily maintenance of the Licensed Premises including but not limited to maintaining the Licensed Premises in a good, clean, and orderly condition, ordinary wear and tear excepted. Such maintenance shall also include, but not be limited to:

(a) Cleaning.

(i) Dirt, litter and obstructions shall be collected and removed daily (seven days a week), and garbage, trash, and leaves, collected and removed by Licensee on a regular basis, as needed. Licensee shall be responsible for removal of all other materials, including construction debris and abandoned vessels. Licensee shall be responsible for disposal of garbage from Licensee's Special Events. Dirt, litter, obstructions, garbage, trash and leaves shall be collected so as to maintain the Licensed Premises in a clean, neat and good condition. At no time may any garbage, trash and litter, including but not limited to

construction debris generated at the Licensed Premises (excluding any construction debris resulting from the construction of approved Alterations and Capital Improvements which is removed in the ordinary course of construction), be stored on the Licensed Premises or placed within Parks containers without the express written approval of the Parks' Manhattan Borough Commissioner. Licensee is prohibited from bringing any garbage, trash, litter and natural debris not generated at the Licensed Premises to the Licensed Premises for disposal.

(ii) All walkways, sidewalks and all pavements and facilities in the Licensed Premises including comfort stations, recreational facilities, docks, piers and boathouses, shall be routinely cleaned and maintained so as to keep such improvements and facilities in a clean, neat and good condition.

Licensee shall obtain all manufacturer's warranties and guarantees for all such equipment and materials, as applicable.

8.9 As required by Section 24-216 of the New York City Administrative Code, devices and activities which will be operated, conducted, constructed or manufactured pursuant to this License and which are subject to the provisions of the New York City Noise Control Code (the "Code") shall be operated, conducted, constructed or manufactured without causing a violation of such Code. Such devices and activities shall incorporate advances in the art of noise control developed for the kind and level of noise emitted or produced by such devices and activities, in accordance with regulations issued pursuant to federal, state, and City laws, rules, regulations and orders.

8.10 Unless otherwise provided, Licensee shall choose the means and methods of completing the Capital Improvements unless Commissioner reasonably determines that such means and

methods constitute or create a hazard to the Capital Improvements or to persons, property, or will not produce finished Capital Improvements.

8.11 No temporary storage or other ancillary structures and staging areas may be erected and maintained without Parks' prior written approval. Parks has no objection to the continued use of the existing storage facilities at the Licensed Premises.

8.12 Licensee is prohibited from cutting down or removing any trees on the Licenses Premises without Parks' prior written approval. Any attachments to the trees, shrubs or plants, such as lights, will not be permitted at any time without Parks' prior written approval.

8.13 Licensee, at its sole cost, shall have an asbestos inspection performed on all structures at the Licensed Premises to the extent required by the DOB or other applicable authority, before the commencement of construction and/or renovation. In the event asbestos removal is necessary, Licensee shall cause the asbestos to be removed, at its sole cost, in accordance with City, state, and federal regulations.

8.14 Licensee shall perform all work in a manner, which minimizes adverse impacts to wetlands, wildlife, water quality and natural resources. Licensee shall also use, whenever available, environmentally friendly construction materials.

8.15 During performance of the Capital Improvements and up to the date of Final Completion, Licensee shall be responsible for the protection of the finished and unfinished Capital Improvements against any damage, loss or injury. In the event of such damage, loss or injury, Licensee shall promptly replace or repair such Capital Improvements at its sole cost and expense.

8.16 Licensee shall provide written notice to Commissioner when the Capital Improvements are substantially completed. After receiving such notice, Commissioner shall inspect such Capital Improvements. After such inspection, at Commissioner's option, Commissioner and Licensee shall jointly develop a single final "punch list" of incomplete and outstanding items incorporating all findings from such inspection concerning all work not completed to the satisfaction of the Commissioner. Licensee shall proceed with diligence to complete all "punch list" items within a reasonable time as the Commissioner determines.

8.17 Licensee, within three (3) months of substantial completion, shall furnish the Commissioner with a certified statement, issued by Licensee, detailing the actual costs of construction. Accompanying such statement shall be construction documents, bills, invoices, labor time books, accounts payable, daily reports, bank deposit books, bank statements, checkbooks and canceled checks. Licensee shall maintain accurate books and records of account of construction costs, which shall be segregated from other accounts, and shall itemize and specify those costs attributable to the Licensed Premises to permit audit by Parks or the New York City Comptroller upon request.

8.18 Licensee shall provide Parks with discharges for any and all liens, which may be filed or levied against the Capital Improvements during construction of such improvements. Licensee shall use its best efforts to discharge such liens within thirty (30) business days of receipt of lien by Licensee.

8.19 Licensee shall promptly repair, replace, restore, or rebuild, as the Commissioner reasonably may determine, items of Capital Improvements in which defects in materials, workmanship or design may appear or to which damages may occur because of such defects, during the one (1) year period subsequent to the date of the Final Completion of such Capital Improvements. Failure to comply with this Section 8.19 shall constitute a default and may result in the termination of this License.

8.20 Licensee shall proceed in good faith and with due diligence to complete all necessary Capital Improvements in accordance with the schedule set forth in **Exhibit D**, subject to timely receipt of approvals by Parks, the Commission or any other authority necessary for the completion of such Capital Improvements. Licensee shall complete or cause to be completed all Capital Improvements so that the services to the public contemplated herein may commence and continue, unless such work cannot be completed due to circumstances beyond the control of Licensee as determined by the Commissioner, including acts of God, war, enemies or hostile government actions, revolutions, insurrection, riots, civil commotion, strikes, fire or other casualty. In such situations, the Licensee shall propose for the Commissioner's approval a revised completion schedule and if approved, Licensee shall complete such Capital Improvements in accordance with such approved revised schedule.

8.21 In the event of any delay by Parks or any City, state, or federal permitting authority, the date specified for completion of the item affected by the delay shall be adjusted to reflect the duration of such delay. Licensee's failure to comply with any phase of the schedules for Capital Improvements for a period of sixty (60) days following written notice shall constitute a default upon which Commissioner may terminate this License by giving thirty (30) days written notice.

8.22 Neither Parks, nor the City, nor the agencies, officers, agents, employees or assigns thereof shall be bound, precluded or estopped by any determination, decision, approval, order, letter, payment or certificate made or given under or in connection with this License by the City, the Commissioner, or any other officer, agent or employee of the City, before the Final Completion and acceptance of the Capital Improvements, from showing that the Capital Improvements or any part thereof do not in fact conform to the requirements of this License and from demanding and recovering from the Licensee such damages as Parks or the City may sustain by reason of Licensee's failure to perform each and every part of this License in accordance with its terms, unless such determination, decision, approval order, letter, payment or certificate shall be made pursuant to a specific waiver of this Section 8.22 signed by the Commissioner or his authorized representative.

8.23 Upon Parks' approval of any Capital Improvements, Parks shall give notice to Licensee whether such Capital Improvement shall become property of the City upon such Capital Improvement's substantial completion, provided, however, that if such Capital Improvement is not constructed in accordance with the approved plans, then Parks shall, within thirty (30) days of Final Completion of the construction of such Capital Improvement, give Licensee an updated notice as to whether such Capital Improvement shall become property of the City. To the extent the City chooses in accordance with this Section 8.23 not to exercise its option with respect to any of the construction, renovation, improvements, equipment or fixtures made to the Licensed Premises, it shall be the responsibility of Licensee to remove such equipment and restore the Licensed Premises to the satisfaction of the Commissioner at the sole cost and expense of the

Licensee within the Removal Period. However, Licensee shall not under any circumstances be required to remove heating, plumbing, air conditioning, electrical wiring, elevators, windows, and/or ventilation fixtures. Notwithstanding anything to the contrary in this Agreement, the Building shall become the property of the City upon substantial completion of the Building in accordance with the plans submitted by Row NY and approved by Parks, and at such time, the Building shall be deemed a part of the Licensed Premises.

8.24 Donor Recognition Features.

(a) The parties agree that Licensee may install Donor Recognition featuring a plaque and signage with “Mothers' Boathouse in honor of Ronnie Ackman, Mary Cashin, and Carol Winklevoss” engraved on it in a location reasonably agreeable to Licensee, Licensee’s donors making the donations associated with such Donor Recognition, and Licensors. The Public Design Commission must also approve any such signage. Such signage and messaging and the naming shall last for the Term of the License during which Licensee, including its successors and assigns as approved by Licensors pursuant to Article 33, has a license to occupy and use the Licensed Premises. Ronnie Ackman, Mary Cashin, and Carol Winklevoss are herein defined as the “Named Individuals.” If a Named Individual is removed from the Naming Rights as provided in this Section 8.24, following, Licensors may also direct Licensee to remove such Named Individual from the Donor Recognition features containing the name of such Named Individual. Any expense or cost for such removal referenced in the preceding sentence, will be the sole responsibility of Licensee. If, after the Term, Licensee is granted a subsequent license to use and operate the Building, the parties shall use their best efforts to ensure continuation of the Naming Rights and Donor Recognition under identical terms as provided in Sections 8.24 and 8.25.

(b) Licensee may propose other Donor Recognition agreements with respect to the Licensed Premises, for Licensors’ approval. All forms of Donor Recognition for the Licensed Premises are subject to the prior written approval of Licensors including approval over the size, quantity, and location of such Donor Recognition or other forms of recognition, and subject to applicable laws, rules, and regulations. All revenues from such additional Donor Recognition at the Licensed Premises shall be restricted for the operation, and maintenance and programming of the Licensed Premises and accounted for separately and apart from all other funds, as set forth in Article 15 (Revenues & Accounts), unless an alternative arrangement, is approved by Licensors (in consultation of the City’s Office of Management and Budget (“OMB”)) and documented in a separate agreement between Licensors and Licensee, and provided further, (x) it is understood and agreed that the parties are aligned in their mutual desire to allow Licensee to use Donor Recognition revenues for capital projects at the Licensed Premises, to the extent such use is acceptable to OMB, and (y) to the extent Licensee desires to use such Donor Recognition revenues for a capital project at the Licensed Premises, Licensee and Licensors shall work together in good faith to try to obtain all necessary approvals for such use of such revenues (including, but not limited to, the approval of OMB therefore). Licensee must account for any funds from such agreements pursuant to Article 15 of this License.

8.25 Naming Rights

(a) The parties agree that Licensee may call the Building “Mothers' Boathouse in honor of Ronnie Ackman, Mary Cashin, and Carol Winklevoss” for the Term of this License (the

“Naming Rights”). Ronnie Ackman, Mary Cashin, and Carol Winklevoss are herein defined as the “Named Individuals.” The Parties agree that during the Term, Parks shall not place another name on the Building other than “Mother’s Boathouse”. During the Term, Parks will use reasonable efforts to refer to the Building as “Mother’s Boathouse” on the Parks website and in public statements.

(b) Parks may require the termination of the Naming Rights and/or Donor Recognition by giving at least 30 days’ prior written notice to Licensee, which identifies a non-arbitrary or capricious reason, solely relating to the conduct of the Named Individual whose name is proposed to be removed, as the basis for termination or suspension of the Naming Rights and/or Donor Recognition regarding such Named Individual; provided the removal of such individual’s name from the Naming Rights shall not affect the Naming Rights and/or Donor Recognition of the remaining Named Individuals (i.e. if the name of one of the Named Individuals is removed, only that Named Individual’s name shall be removed from the Naming Rights and/or Donor Recognition and the Building shall continue to be named after the remaining Named Individuals consistent with this License). Any cost or expense for such removal referenced in this paragraph, will be the sole responsibility of Licensee.

(c) Reasons for the removal of the name of a Named Individual from the Naming Rights and/or Donor Recognition that are not arbitrary or capricious shall solely include: (x) such individual engaging in conduct that in the reasonable opinion of Parks would cause a significant diminution in the reputation of Parks or would be substantially inconsistent with its objects or mission; or (y) such Named Individual being formally charged with any violation of law involving moral or ethical issues under any criminal statute the character of which would constitute “moral turpitude” as that term is understood by courts in the United States of America and which would materially adversely impact Parks’ reputation, image, mission or integrity and such charge is not dismissed within one hundred eighty (180) days, provided that, in either case, if the Named Individual that was so charged is ultimately not found guilty in a court of law of any such violation or such charges are otherwise dropped or dismissed, the name of such Named Individual, if removed from the Naming Rights and/or Donor Recognition, shall be reinstated subject to clause (x), preceding. Any cost or expense for such reinstated Naming Right and/or Donor Recognition referenced in this paragraph, will be the sole responsibility of Licensee.

(d) In the event that a Named Individual’s name is removed from either the Naming Rights and/or Donor Recognition by the Parks pursuant to this License, then such removing party shall work in good faith to permit the donor(s) associated with the removed Named Individual to replace the removed Named Individual’s name with one of their grandmother’s names with respect to the Naming Rights and/or Donor Recognition, whichever the case shall be, and such replacement shall not be unreasonably denied except on account of such grandmother’s conduct that Parks and Licensee reasonably hold to be objectionable; provided, that the donors associated with the other Named Individuals whose names are not removed may, in their sole and absolute discretion, reject the alternate name. Any cost or expense for such replacement Naming Rights and/or Donor Recognition referenced in this paragraph, will be the sole responsibility of Licensee.

8.26 Subject to the terms of Section 5.2(e), Licensee shall be required to make any structural or major repairs to the Licensed Premises, perform Capital Improvements or replace any sidewalks, roadways (including paving or repaving), buildings, improvements, Equipment, systems or

facilities utilized therein, including, but not limited to, docks and pilings or repairing any of the utility facilities.

(a) Licensee shall repair any areas of the interior or exterior of the Premises, which are damaged by Licensee, or participants of Licensee's programs or Licensee's employees and volunteers. All such damage shall be promptly reported to Parks and before commencing repairs.

(b) Subject to the terms of Section 5.2(e), neither Parks nor the City shall be obligated to perform or fund any repairs or alterations to the Premises. This section shall not relieve Licensee of any obligations to perform repairs or alterations to the Premises to comply with the provisions of this Agreement.

(c) Subject to the terms, of Section 5.2(c), Licensee shall not prune, cut down, replant or remove any trees from the Premises, nor undertake any planting or landscaping without Parks' prior written approval.

(d) Subject to the terms of Section 5.2(g), Licensee shall conduct regular pest control inspections and extermination as needed. Pest control methods chosen by Licensee shall be subject to the approval of Parks. To the extent Licensee applies pesticides to the Licensed Premises, Licensee, or any subcontractor hired by Licensee, shall comply with Title 17 of Chapter 12 of the New York City Administrative Code and limit the environmental impact of its pesticide use.

8.27 Parks agrees to negotiate with NYRP to allow Row NY to use a portion of the premises at Sherman Creek Park licensed to NYRP (the "NYRP Licensed Premises") for staging construction of the Building and the ADA Path. Parks agrees to negotiate expeditiously and in good faith with NYRP to amend Parks' license agreement with NYRP as necessary to provide for temporary use by Row NY of a portion of the NYRP Licensed Premises that is adequate in size for all construction staging necessary to construct the Building and the ADA Path. Parks agrees to review expeditiously and in good faith all requests from Row NY for any construction or other permits necessary for the construction of the Building and ADA Path and that no such permits shall be unreasonably withheld, conditioned or delayed. Row NY shall use reasonable efforts to minimize disruption of NYRP's maintenance, operations, and programming at NYRP Licensed Premises.

8.28 Licensee shall design, construct and fund the ADA Path. Upon completion of construction of the ADA Path, which is expected within twenty-four (24) months after the commencement of Capital Improvements, Licensee shall not be responsible for repairs and/or maintenance of the ADA Path.

ARTICLE 9 USE OF CITY RESOURCES

9.1 Employees. Subject to applicable laws, rules, regulations, and contractual provisions and subject to the Commissioner's sole discretion nothing contained in this Agreement shall preclude City employees assigned to the Licensed Premises from performing services required to be performed under this Agreement by the Licensee.

9.2 Equipment and Property.

(a) Licensee shall, to the reasonable satisfaction of the Commissioner and either at its sole cost and expense or through any sublicensee, provide and replace, if necessary, all equipment and materials necessary for the successful operation of this License. Licensee shall, and shall cause any sublicensee to, put, keep, repair, preserve and maintain in good order all equipment found on, placed in, installed in or affixed to the Licensed Premises (except the light poles, which an affiliate of Parks will maintain).

(c) In accordance with Section 6.1 and Section 8.23 of this Agreement, the City retains title to all Fixed Equipment on the Licensed Premises as of the Commencement Date. As set forth in Section 6.1 and Section 8.23, at the time the City approves the plans and specifications for any Additional Fixed Equipment, the City shall notify Licensee whether the City shall accept title to such Additional Fixed Equipment. If the City determines to accept title to such Additional Fixed Equipment, then title to such Additional Fixed Equipment shall vest in and belong to the City upon the substantial completion of the installation or affixing of such Additional Fixed Equipment. In accordance with Section 6.1 and Section 8.23 of this Agreement, if at the time the City approves the installation of Additional Fixed Equipment it determines not to accept title thereto, then Licensee shall be responsible to remove such Additional Fixed Equipment and restore the Licensed Premises to its condition prior to the installation of such Additional Fixed Equipment or otherwise to the satisfaction of Commissioner at the sole cost and expense of Licensee prior to the Removal Deadline.

(f) Title to all Expendable Equipment obtained by Licensee or any sublicensee shall remain in Licensee or such sublicensee, as applicable, and such equipment shall be removed by Licensee at the termination or expiration of this License.

(g) Licensee acknowledges that it is acquiring this License to use the Licensed Premises and Fixed Equipment thereon solely in reliance on its own investigation, that no representations, warranties or statements have been made by the City concerning the fitness thereof, and that by taking possession of the Licensed Premises and Fixed Equipment, Licensee accepts them in their present condition “as is.”

(h) The Expendable Equipment to be removed by Licensee shall be removed from the Licensed Premises in such a way as shall cause no damage to the Licensed Premises. Licensee shall remain liable to the City for any damage to the Licensed Premises caused by the removal of Expendable Equipment from the Licensed Premises.

This includes establishing a dedicated meter and/or submeter that captures electricity usage at the Licensed Premises and an account with the appropriate service providers. Licensee shall not undertake the installation of any new utility lines without first having obtained all necessary permits and approvals from Parks and such other federal, state, or City agencies or entities as have jurisdiction over the operation of the Licensed Premises.

If Parks permits Licensee to use the City IP for non-commercial purposes, such use will be non-exclusive, royalty-free, world-wide, non-transferrable and non-sublicensable and any revenue generated by Licensee therefrom will be for not-for-profit purposes and will be used by Licensee only in support of the Licensed Premises. To the extent that Licensee seeks to make commercial use of City IP (i.e. through merchandise sales, licensing or other use intended to or which does generate revenue), such use shall require the prior, written agreement of Parks, on terms to be agreed by the parties, and any revenue derived by Licensee shall be used exclusively to benefit the Licensed Premises. Upon Parks' request, Licensee shall provide Parks with an accounting reasonably satisfactory to Parks of revenue derived from and expenditures made from any use of City IP. To the extent that prior permission and approval of Parks has already been obtained to use City IP (whether for non-commercial or commercial purposes, as the case may be), it is hereby continued as previously agreed upon, subject to the use and monetary restrictions contained in this Section 14.1. (A) A certificate of insurance, the required additional insured endorsements for the Commercial General Liability Insurance policy, and a completed “Certification by Insurance Broker or Agent” in the form attached as **Exhibit L**; or

(B) A copy of the Commercial General Liability Insurance and Commercial Automobile Insurance policies as certified by an authorized representative of the issuing insurance carrier.

(ii) Proof confirming renewals of insurance shall be submitted to the Commissioner prior to the expiration date of coverage of all policies required under this Agreement. Such proof shall conform to (i)(A) or (B), above.

(iii) Acceptance or approval by the Commissioner of proof of insurance or any other matter does not waive Licensee’s obligation to ensure that insurance fully consistent with the requirements of this Section 26.3 is secured and maintained, nor does it waive Licensee’s liability for its failure to do so.

(iv) The Licensee shall be obligated to provide the City with a copy of the Commercial General Liability insurance and/or the Commercial Automobile Liability insurance policies upon request by the Commissioner or the New York City Law Department.

(f) Property Insurance

(i) The Licensee shall maintain comprehensive, broad-form property insurance (such as an "All Risk" policy) covering all buildings, structures, equipment and fixtures on the Premises ("License Structures"), whether existing at the beginning of this License or built at any time before its expiration or termination. Such insurance shall provide full Replacement Cost coverage for the License Structures (without depreciation or obsolescence clause) and include, without limitation, coverage for loss or damage by acts of terrorism, water (other than flood-related), wind and subsidence. Such insurance shall be "occurrence" (rather than "claims-made") based and shall designate the Licensee as Named Insured and the City as Additional Insured and Loss Payee as its interests may appear.

(ii) This Section does not require coverage for damage caused by flooding.

(iii) The limit of such property insurance shall be no less than the full Replacement Cost of all License Structures, including, without limitation, the costs of post-casualty debris removal and soft costs, to the extent that such costs can be covered by an "all risk" or "special perils form" insurance policy. If such insurance contains an aggregate limit, it shall apply separately to the License Structures.

(iv) In the event of any loss to any of the License Structures, the Licensee shall provide the insurance company that issued such property insurance with prompt, complete and timely notice, and simultaneously provide the Commissioner with a copy of such notice. With regard to any License Structure that the City owns or in which the City has an interest, the Licensee shall also (i) take all appropriate actions in a timely manner to adjust such claim on terms that provide the City with the maximum possible payment for the loss, and (ii) either provide the City with the opportunity to participate in any negotiations with the insurer regarding adjustments for claims or, at the Commissioner's discretion, allow the City itself to adjust such claim.

(g) Flood Insurance.

(i) The Licensee shall maintain flood insurance for each building on the Premises. Each building shall be insured separately. For each building, the Licensee shall maintain the maximum limits available under the National Flood Insurance Program (NFIP) for both the building and its contents. The Licensee shall assure that the City is listed as a loss payee on the NFIP insurance.

(ii) In the event the Licensee purchases flood insurance excess to the limits available under the NFIP, the Licensee shall assure that the City is listed as a loss payee under all such policies.

(h) Miscellaneous.

(i) The Licensee may satisfy its insurance obligations under this Section 26.3 through primary policies or a combination of primary and excess/umbrella policies, so long as all policies provide the scope of coverage required herein.

(ii) The City's limits of coverage for all types of insurance required under this Section 26.3 shall be the greater of (i) the minimum limits set forth in this Section 26.3 or (ii) the limits provided to the Licensee under all primary, excess and umbrella policies covering operations under this Agreement.

(iii) The Licensee shall be solely responsible for the payment of all premiums for all policies, all deductibles, and all self-insured retentions to which they are subject, whether or not the City is an insured under the policy.

(iv) Where notice of loss, damage, occurrence, accident, claim or suit is required under a policy maintained in accordance with this Section 26.3, the Licensee shall notify in writing all insurance carriers that issued potentially responsive policies of any such event relating to any operations under this Agreement (including notice to Commercial General Liability insurance carriers for events relating to the Licensee's own employees) in the time required by the insurance policy. For any policy where the City is an Additional Insured, such notice shall expressly specify that "this notice is being given on behalf of the City of New York, including its officials and employees, as Insured as well as the Named Insured." Such notice shall also contain the following information to the extent known: the number of the insurance policy, the name of the named insured, the date and location of the damage, occurrence, or accident, and the identity of the persons or things injured, damaged or lost. The Licensee shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007.

(v) In the event of any loss, accident, claim, action, or other event that does or can give rise to a claim under any insurance policy required under this Section 26.3, the Licensee shall at all times fully cooperate with the City with regard to such potential or actual claim.

(vi) The Licensee waives all rights against the City, including its officials and employees, for any damages or losses that are covered by Commercial General Liability insurance (whether or not such insurance is actually maintained or claims are paid thereunder) or other insurance applicable to the operations of the Licensee and/or its employees, agents, or servants of its contractors or subcontractors.

(vii) If the Licensee requires any entity, by contract or otherwise, to procure insurance with regard to any operations under this Agreement and requires such entity to name the Licensee as an Additional Insured under such insurance, the Licensee shall ensure that such entity also name the City, including its officials and employees, as an Additional Insured. For Commercial General Liability insurance, such coverage must be at least as broad as the most recent version of ISO form CG 20 26.

(viii) Licensee shall cause its construction-related contractors (including architecture and engineering contractors) performing work in connection with the Licensed Premises to maintain appropriate insurance and shall require such contractors to defend and indemnify the City, including its officials and employees, for claims arising out of such

contractors' operations. Licensee's contract(s) with such contractor(s) shall be subject to Parks' prior written approval in accordance with Sections 6.2(a) and 6.2(b) hereof.

(ix) Licensee shall name the New York Restoration Project ("NYRP") as an additional insured in those instances where construction or staging will be occurring on NYRP licensed premises or adjacent thereto.

(x) Licensee shall name NYRP as an additional insured in those instances where access to NYRP property is required in connection with an RNY Special Event.

This remedy, if effected, shall not constitute the sole remedy afforded the City for the falsity or breach, nor shall it constitute a waiver of the City's right to claim damages or refuse payment or to take any other action provided by law or pursuant to this License.

ARTICLE 28 COMPLIANCE WITH LAWS, RULES AND REGULATIONS

28.1 Licensee shall faithfully perform and carry out the requirements of this License and cause its, employees and agents to comply with all laws, rules, regulations and orders now or hereafter prescribed by Commissioner, and to comply with all laws, rules, regulations and orders of any City, State or Federal agency or governmental entity having jurisdiction over operations of the License and the Licensed Premises and/or Licensee's use and occupation thereof. (a) If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the laws of the State of New York; or

(B) If any non-governmental party to the hearing requests an adjournment, the Commissioner or agency head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Section 29.1(c) below without the City incurring any penalty or damages for delay or otherwise.

(b) The penalties, which may attach after the Commissioner or Agency Head's final determination may include but shall not exceed:

(i) The disqualification for a period not to exceed five (5) years from the date of an adverse determination of any person or entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

(ii) The cancellation or termination of any and all existing City contracts, leases, permits, or licenses that the refusal to testify concerns and that have not been assigned as permitted under this License, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value before the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; the City shall pay monies lawfully due for goods delivered, work done, rentals, or fees accrued before the cancellation or termination.

(c) The Commissioner or Agency Head shall consider and address in reaching a determination and in assessing an appropriate penalty the factors in Section 29.1(c)(i) and (ii) below. The Commissioner or Agency Head may also consider, if relevant and appropriate, the criteria established in Sections 29.1(c)(iii) and (iv) below in addition to any other information that may be relevant and appropriate.

(i) The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

(ii) The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

(iii) The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

(iv) The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under Section 29.1(b) above, provided that the party or entity has given actual notice to the Commissioner or agency head upon the acquisition of the interest, or at the hearing called for in Section 29.1(a)(i) above gives notice and proves that such interest was previously acquired.

Under either circumstance, the party or entity must present evidence at the hearing demonstrating the potentially adverse impact a penalty will have on such person or entity.

(e) In addition to and notwithstanding any other provision of this License the Commissioner or Agency Head may in the Commissioner’s sole discretion terminate this Agreement upon not less than three (3) days written notice in the event Licensee fails to promptly report in writing to the City of New York’s Commissioner of Investigation of any solicitation of money goods requests for future employment or other benefit or thing of value, by or on behalf of any employee of the City of other person, firm, corporation or entity for any purpose which may be related to the procurement or obtaining of this License Agreement by the Licensee, or affecting the performance or this License Agreement.

ARTICLE 31 INTENTIONALLY OMITTED.

ARTICLE 32 NO DISCRIMINATION

32.1 Pursuant to applicable Federal, State and City laws, Licensee shall not unlawfully discriminate against any employee, applicant for employment with respect to all employment decisions, or anyone desiring to attend or participate in activities or programs because of race, creed, religion color, national origin, age, sex, disability (mental and physical), marital status, or sexual orientation. Licensee shall comply with the ADA and regulations pertaining thereto as applicable. Any violation of this Section 32.1 shall be a material breach of this License.

32.2 All advertising for employment shall indicate that Licensee is an Equal Opportunity Employer.

ARTICLE 33 NO ASSIGNMENT

33.1 Licensee shall not sell, assign, mortgage or otherwise transfer any interest provided for herein, or consent, allow or permit any other person or party to use any part of the Premises, except as provided herein or approved in writing by the Commissioner, nor shall this License be transferred by operation of law, it being the purpose and spirit of this License to grant this License and privilege solely to Licensee.

ARTICLE 34 WAIVER OF TRIAL BY JURY

34.1 Licensee hereby expressly waives all rights to trial by jury in any summary proceeding hereafter instituted by the City against Licensee or any counterclaim or cause of action directly or indirectly arising out of the terms, covenants or conditions of this License or the use and occupation of the Licensed Premises or any matter whatsoever in any way connected with this License, including but not limited to, the relationship between the City or Licensee. The provision relating to waiver of jury trial shall survive the expiration or termination of this License or any renewals thereof.

(a) In the event any claim is made or any action brought in any way relating to this License Agreement herein other than an action or proceeding in which Licensee and City are adverse parties, Licensee and the City shall reasonably cooperate with each other without additional compensation to the extent that either party may reasonably require of the other.

ARTICLE 35 CHOICE OF LAW, CONSENT TO JURISDICTION AND VENUE

35.1 This License shall be deemed to be executed in the City of New York, State of New York, regardless of the Licensee's domicile, and shall be governed by and construed in accordance with the laws of the State of New York.

35.2 Any and all claims asserted by or against the City (which for purposes of this Article 35 includes the Commissioner) or Licensee arising under this License or related thereto shall be heard and determined either in the courts of the United States located in New York City ("Federal Courts") or in the courts of the State of New York ("New York State Courts") located in the City and County of New York. To effect this License Agreement and intent, the parties agree:

(a) If any such action or proceeding is brought in Federal Court or in New York State Court, service of process may be made on the City or Licensee, as the case may be, by personal service in accordance with the provisions of the New York Civil Practice Law and Rules ("CPLR"), wherever such party may be found (and if the City is the party being served, process shall be served on the Corporation Counsel, 100 Church Street, New York, New York 10007); provided, however, that in so far as service is to be made upon the Licensee, as an alternative to personal service in accordance with the provisions of the CPLR, service of process upon Licensee may be made in such other manner and at such other address for Licensee in each case only as Licensee may provide in writing to the City; and

(b) With respect to any action between the City and the Licensee in New York State Court, the Licensee and the City each hereby expressly waives and relinquishes any rights they

might otherwise have (i) to move to dismiss on grounds of forum non conveniens, (ii) to remove to Federal Court; and (iii) to move for a change of venue to a New York State Court outside New York County.

35.3 With respect to any action arising under this License or related thereto between the City and the Licensee in Federal Court located in New York City, the parties expressly waive and relinquish any right they might otherwise have to move to transfer the action to a United States Court outside the City of New York.

35.4 If either party commences any action against another party arising under this License or related thereto in a Court located other than in the City and State of New York, upon the receiving party's request, the commencing party shall either consent to a transfer of the action to a Court of competent jurisdiction located in the City and State of New York or, if the Court where the action is initially brought will not or cannot transfer the action, the commencing party shall consent to dismiss such action without prejudice and may thereafter reinstitute the action in a court of competent jurisdiction in New York City.

ARTICLE 36 CLAIMS AND ACTIONS THEREON

36.1 No action at law or proceeding in equity against the City shall lie or be maintained upon any claim based upon this License or arising out of this License or in any way connected with this License unless Licensee shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims, all as herein provided.

36.2 No action shall lie or be maintained against the City hereto by Licensee upon any claims based upon this License unless such action shall be commenced within six (6) months of the termination or conclusion of this License, or within six (6) months after the accrual of the cause of action, whichever first occurs.

36.3 In the event any claim is made or any action brought in any way relating to the License herein, other than an action or proceeding in which Licensee and the City are adverse parties, Licensee shall diligently render to the City of New York, without additional compensation, any and all assistance which the City may require of Licensee.

ARTICLE 37 CLAIM AGAINST OFFICERS OR EMPLOYEES

37.1 No claim whatsoever shall be made by the Licensee against any officials, agent or employee of the City or for, or on account of, anything done or omitted in connection with this License.

ARTICLE 38 INDEPENDENT STATUS OF LICENSEE

38.1 Licensee is not an employee of the City and in accordance with such independent status neither Licensee nor its employees or agents will hold themselves out as, nor claim to be officers, employees, or agents of the City, or of any department, agency, or unit thereof, and they will not make any claim, demand, or application to or for any right or privilege applicable to an officer of, or employee of, the City, including but not limited to, workers' compensation coverage,

unemployment insurance benefits, social security coverage or employee retirement membership or credit.

ARTICLE 39 CUMULATIVE REMEDIES - NO WAIVER

39.1 The specific remedies to which the City may resort under the terms of this License are cumulative and are not intended to be exclusive of any other remedies or means of redress to which it may be lawfully entitled in case of any other default hereunder. The failure of the City to insist in any one or more cases upon the strict performance of any of the covenants of this License, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenants or option.

ARTICLE 40 ALL LEGAL PROVISIONS DEEMED INCLUDED

40.1 It is the intent and understanding of the parties to this Agreement that each and every provision of law required to be inserted in the Agreement shall be and is inserted herein. Furthermore, it is hereby stipulated that every such provision is to be deemed to be inserted herein, and if, through mistake or otherwise, any such provision is not inserted, or is not inserted in correct form, then this Agreement shall forthwith upon the application of either party be amended by such insertion so as to comply strictly with the law and without prejudice to the rights of either party hereunder.

ARTICLE 41 SEVERABILITY- INVALIDITY OF PARTICULAR PROVISIONS

41.1 If any term or provision of this License or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this License shall be valid and enforceable to the fullest extent permitted by law.

ARTICLE 42 JUDICIAL INTERPRETATION

42.1 Should any provision of this License require judicial interpretation, it is agreed that the court interpreting or considering same shall not apply the presumption that the terms hereof shall be more strictly construed against a party by reason of the rule of conclusion that a document should be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that all parties hereto have participated in the preparation of this License and that legal counsel was consulted by each responsible party before the execution of this License.

ARTICLE 43 MISCELLANEOUS

43.1 The article, headings, and Table of Contents contained in this License are inserted for convenience only and shall not enlarge or limit the scope or meaning of the various and several articles hereof. No amendment or modification of this License shall be effective until the same has been agreed to in writing and duly executed by both parties.

PAID SICK LEAVE LAW

Introduction and General Provisions

The Earned Sick Time Act, also known as the Paid Sick Leave Law (“PSLL”), requires covered employees who annually perform more than 80 hours of work in New York City to be provided with paid sick time.¹

Concessionaires of the City of New York or of other governmental entities may be required to provide sick time pursuant to the PSLL.

The PSLL became effective on April 1, 2014, and is codified at Title 20, Chapter 8, of the New York City Administrative Code. It is administered by the City’s Department of Consumer Affairs (“DCA”); DCA’s rules promulgated under the PSLL are codified at Chapter 7 of Title 6 of the Rules of the City of New York (“Rules”).

The Concessionaire agrees to comply in all respects with the PSLL and the Rules, and as amended, if applicable, in the performance of this agreement. The Concessionaire further acknowledges that such compliance is a material term of this agreement and that failure to comply with the PSLL in performance of this agreement may result in its termination.

The Concessionaire must notify the Concession Manager in writing within ten (10) days of receipt of a complaint (whether oral or written) regarding the PSLL involving the performance of this agreement. Additionally, the Concessionaire must cooperate with DCA’s education efforts and must comply with DCA’s subpoenas and other document demands as set forth in the PSLL and Rules.

The PSLL is summarized below for the convenience of the Concessionaire.

The Concessionaire is advised to review the PSLL and Rules in their entirety. On the website www.nyc.gov/PaidSickLeave there are links to the PSLL and the associated Rules as well as additional resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which the Concessionaire can get more information about how to comply with the PSLL. The Concessionaire acknowledges that it is responsible for compliance with the PSLL notwithstanding any inconsistent language contained herein.

Pursuant to the PSLL and the Rules:

¹ Pursuant to the PSLL, if fewer than five employees work for the same employer, as determined pursuant to New York City Administrative Code §20-912(g), such employer has the option of providing such employees uncompensated sick time.

Applicability, Accrual, and Use

An employee who works within the City of New York for more than eighty hours in any consecutive 12-month period designated by the employer as its “calendar year” pursuant to the

PSLL (“Year”) must be provided sick time. Employers must provide a minimum of one hour of sick time for every 30 hours worked by an employee and compensation for such sick time must be provided at the greater of the employee’s regular hourly rate or the minimum wage. Employers are not required to provide more than forty hours of sick time to an employee in any Year.

An employee has the right to determine how much sick time he or she will use, provided that employers may set a reasonable minimum increment for the use of sick time not to exceed four hours per day. In addition, an employee may carry over up to forty hours of unused sick time to the following Year, provided that no employer is required to allow the use of more than forty hours of sick time in a Year or carry over unused paid sick time if the employee is paid for such unused sick time and the employer provides the employee with at least the legally required amount of paid sick time for such employee for the immediately subsequent Year on the first day of such Year.

An employee entitled to sick time pursuant to the PSLL may use sick time for any of the following:

- such employee’s mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee’s need for medical diagnosis or preventive medical care;
- such employee’s care of a family member (an employee’s child, spouse, domestic partner, parent, sibling, grandchild or grandparent, or the child or parent of an employee’s spouse or domestic partner) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;
- closure of such employee’s place of business by order of a public official due to a public health emergency; or
- such employee’s need to care for a child whose school or childcare provider has been closed due to a public health emergency.

An employer must not require an employee, as a condition of taking sick time, to search for a replacement. However, an employer may require an employee to provide: reasonable notice of the need to use sick time; reasonable documentation that the use of sick time was needed for a reason above if for an absence of more than three consecutive work days; and/or written confirmation that an employee used sick time pursuant to the PSLL. However, an employer may not require documentation specifying the nature of a medical condition or otherwise require disclosure of the details of a medical condition as a condition of providing sick time and health information obtained solely due to an employee’s use of sick time pursuant to the PSLL must be treated by the employer as confidential.

If an employer chooses to impose any permissible discretionary requirement as a condition of using sick time, it must provide to all employees a written policy containing those requirements,

using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny sick time to an employee because of non-compliance with such a policy.

Sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the sick time was used.

Exemptions and Exceptions

Notwithstanding the above, the PSLI does not apply to any of the following:

- an independent contractor who does not meet the definition of employee under section 190(2) of the New York State Labor Law;
- an employee covered by a valid collective bargaining agreement in effect on April 1, 2014 until the termination of such agreement;
- an employee in the construction or grocery industry covered by a valid collective bargaining agreement if the provisions of the PSLI are expressly waived in such collective bargaining agreement;
- an employee covered by another valid collective bargaining agreement if such provisions are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the PSLI for such employee;
- an audiologist, occupational therapist, physical therapist, or speech language pathologist who is licensed by the New York State Department of Education and who calls in for work assignments at will, determines his or her own schedule, has the ability to reject or accept any assignment referred to him or her, and is paid an average hourly wage that is at least four times the federal minimum wage;
- an employee in a work study program under Section 2753 of Chapter 42 of the United States Code;
- an employee whose work is compensated by a qualified scholarship program as that term is defined in the Internal Revenue Code, Section 117 of Chapter 20 of the United States Code; or
- a participant in a Work Experience Program (WEP) under section 336-c of the New York State Social Services Law.

Retaliation Prohibited

An employer may not threaten or engage in retaliation against an employee for exercising or attempting in good faith to exercise any right provided by the PSLI. In addition, an employer may not interfere with any investigation, proceeding, or hearing pursuant to the PSLI.

Notice of Rights

An employer must provide its employees with written notice of their rights pursuant to the PSL. Such notice must be in English and the primary language spoken by an employee, provided that DCA has made available a translation into such language. Downloadable notices are available on DCA's website at <http://www.nyc.gov/html/dca/html/law/PaidSickLeave.shtml>.

Any person or entity that willfully violates these notice requirements is subject to a civil penalty in an amount not to exceed fifty dollars for each employee who was not given appropriate notice.

Records

An employer must retain records documenting its compliance with the PSL for a period of at least three years, and must allow DCA to access such records in furtherance of an investigation related to an alleged violation of the PSL.

Enforcement and Penalties

Upon receiving a complaint alleging a violation of the PSL, DCA has the right to investigate such complaint and attempt to resolve it through mediation. Within 30 days of written notification of a complaint by DCA, or sooner in certain circumstances, the employer must provide DCA with a written response and such other information as DCA may request. If DCA believes that a violation of the PSL has occurred, it has the right to issue a notice of violation to the employer.

DCA has the power to grant an employee or former employee all appropriate relief as set forth in New York City Administrative Code 20-924(d). Such relief may include, among other remedies, treble damages for the wages that should have been paid, damages for unlawful retaliation, and damages and reinstatement for unlawful discharge. In addition, DCA may impose on an employer found to have violated the PSL civil penalties not to exceed \$500 for a first violation, \$750 for a second violation within two years of the first violation, and \$1,000 for each succeeding violation within two years of the previous violation.

More Generous Policies and Other Legal Requirements

Nothing in the PSL is intended to discourage, prohibit, diminish, or impair the adoption or retention of a more generous sick time policy, or the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous sick time. The PSL provides minimum requirements pertaining to sick time and does not preempt, limit or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of sick leave or time, whether paid or unpaid, or that extends other protections to employees. The PSL may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule or regulation.

The Contractor may also be referred to in this **Exhibit O** as a “party liable for payment” where applicable;

(2) “Licensee” shall have the meaning given such term in the License Agreement. The Licensee may also be referred to in this **Exhibit O** as a party liable for payment where applicable; and

(3) “Subcontractor” means a person, firm or corporation, excluding employees of a Contractor, who or which contracts with a Contractor to furnish, or actually furnishes, labor, material, equipment, supplies, or any combination thereof to a Contractor in connection with the work for the Capital Improvement Project. The Subcontractor may also be referred to in this **Exhibit O** as a “party liable for payment” where applicable.

(B) Licensee shall, in accordance with the terms of this **Exhibit O**, guarantee payment of all lawful claims for :

(1) Wages and compensation for labor performed and/or services rendered ; and

(2) Materials, equipment, and supplies provided, whether incorporated into the Capital Improvement Project or not, when demands have been filed with the Licensee as provided hereinafter by any person, firm, or corporation which furnished labor, material, equipment, supplies, or any combination thereof, in connection with the Capital Improvement Project (hereinafter referred to as a "beneficiary") performed at the direction of the Licensee, the Contractor, or a Subcontractor of the Contractor; and

II. The provisions of Section I.(B) of this **Exhibit O** are subject to the limitations and conditions in this Section II and in Sections III and IV of this **Exhibit O**:

(A) The guarantee is made for the benefit of all beneficiaries as defined in Section I.(B) of this **Exhibit O**, provided that those beneficiaries strictly adhere to the terms and conditions of this Section II of this **Exhibit O**.

(B) Nothing in this **Exhibit O** shall prevent a beneficiary providing labor, services or material for the Capital Improvement Project from suing the person, firm or corporation for whom such labor, services or material was provided for any amounts due and owing the beneficiary by such person, firm or corporation.

(C) Every person who has furnished labor or material, to the Licensee, a Contractor or to a Subcontractor of the Contractor, in the prosecution of the Capital Improvement Project and who has not been paid in full therefor before the expiration of a period of ninety (90) days after the date on which the last of the labor was performed or material was furnished by him/her for which the claim is made, shall have the right to sue on this payment guarantee in his/her own name for the amount, or the balance thereof, unpaid at the time of commencement of the action, by filing a demand hereunder; provided, however, that a person having a direct contractual relationship with a Subcontractor of the Contractor but no contractual relationship express or implied with the Contractor shall not have a right of action upon the guarantee unless he/she shall have given written notice to the Contractor within one hundred twenty (120) days from the date on which the last of the labor was performed or the last of the material was furnished, for which his/her claim is made, stating with substantial accuracy the amount claimed and the name of the party to whom the material was furnished or for whom the labor was performed. The notice shall be served by delivering the same personally to the Contractor or by mailing the same by registered mail, postage prepaid, in an envelope addressed to the Contractor at any place where it maintains an office or conducts its business; provided, however, that where such notice is actually received by the Contractor by other means, such notice shall be deemed sufficient.

(D) No action on this payment guarantee shall be commenced after the expiration of two (2) years after the completion of the Capital Improvement Project.

(E) A Contractor shall promptly forward to the Licensee any notice or demand received pursuant to Section II (C) of this **Exhibit O**. The Contractor shall inform the Licensee of any defenses to the notice or demand and shall forward to the Licensee any documents the Licensee requests concerning the notice or demand. If the Contractor has a claim against the Licensee as described in the first sentence of Section II.(C) of this **Exhibit O**, the Contractor shall promptly forward such demand to the Licensee.

(F) All demands made against the Licensee by a beneficiary of this payment guarantee shall be presented to the Licensee along with all written documentation concerning the demand which the Licensee deems reasonably appropriate or necessary, which may include, but shall not be limited to: the contract or subcontract; any invoices presented to the party liable for payment; the notarized statement of the beneficiary that the demand is due and payable, that a request for payment has been made of the party liable for payment and that the demand has not been paid by the party liable for payment within the time allowed for such payment by the contract or subcontract; and copies of any correspondence between the beneficiary and the party liable for payment concerning such demand. If the party liable for payment is not the Licensee, the Licensee shall notify the party liable for payment that a demand has been made. The party liable for payment shall inform the Licensee of any defenses to the demand and shall forward to the Licensee any documents the Licensee requests concerning the demand.

(G) The Licensee shall make payment as described in Section IV only if, after considering

all defenses presented to the claim for payment, it determines that (i) the payment is due and owing to the beneficiary making the demand, and (ii) such payment is due and owing in respect of a Guaranteed Claim.

(H) No beneficiary shall be entitled to interest from the Licensee, or to any other costs, including, but not limited to, attorneys' fees, except to the extent required by applicable law.

III. Upon the receipt by the Licensee of a demand pursuant to this **Exhibit O**, in the case where the Licensee is not the party liable for payment, the Licensee may withhold from any payment otherwise due and owing to the Contractor an amount sufficient to satisfy the demand.

IV. (A) In the event the Licensee determines that the demand is valid and the Licensee is not the party liable for payment, the Licensee shall notify the party liable for payment of such determination and the amount thereof, and direct the party liable for payment to immediately pay such amount to the beneficiary. In the event the party liable for payment, within seven (7) days of receipt of such notification from the Licensee, fails to pay the beneficiary, the Licensee shall pay the amount due and owing to the beneficiary within seven (7) days of the date on which Licensee becomes aware of such failure to pay the beneficiary.

(B) In the event the Licensee determines that the demand is valid and the Licensee is the party liable for payment, the Licensee shall pay the amount due and owing to the beneficiary within seven (7) days of the date on which Licensee determines that the demand is valid.

(C) In the event the Licensee determines that the demand is invalid, any amount withheld pending the Licensee's review of such demand shall be paid to the Contractor; provided, however, no lien has been filed. In the event a lien has been filed, the parties will be governed by the provisions of the Lien Law of the State of New York. The Licensee shall provide written notification of its determination that the demand is invalid to the beneficiary that made such demand.

V. Nothing in this **Exhibit O** shall relieve a party liable for payment of the obligation to pay the claims of all persons with valid and lawful claims against such party relating to the Capital Improvement Project.

VI. Notwithstanding any provision to the contrary contained in the License Agreement (including this **Exhibit O**), the payment guarantee made pursuant to this **Exhibit O** shall be construed in a manner consistent with Section 5 of the New York Lien Law.
