

**MEMORANDUM OF UNDERSTANDING**

BETWEEN

THE NEW YORK CITY  
DEPARTMENT OF TRANSPORTATION

AND

THE NEW YORK CITY  
DEPARTMENT OF PARKS & RECREATION

Concerning

The Establishment and/or Maintenance of Certain Property Currently or In The  
Future To Be Identified As Greenstreet Sites In  
The City Of New York

DATED: March 26, 2015

This **Memorandum of Understanding** ("MOU"), dated as of March 26, 2015, shall confirm an understanding between the New York City Department of Parks & Recreation ("DPR") and the New York City Department of Transportation ("DOT") concerning the establishment and/or maintenance of certain DOT property currently or in the future to be identified as a Greenstreet (as defined herein) sites in the City of New York.

**WITNESSETH**

**WHEREAS**, DPR and DOT have significant experience working together to establish Greenstreets at certain street spaces pursuant to a program established in 1996. An agreement between the parties dated February 9, 2007 and its amendment dated August 26, 2009 memorialized such a program, however, this MOU shall supersede any such previous agreements; and

**WHEREAS**, Greenstreets shall be designated pursuant to this MOU by mutual agreement between DPR and DOT, unless the property in question is not under DOT jurisdiction; and

**WHEREAS**, Greenstreets shall generally be defined by both agencies as vegetated areas and their pathways within the right-of-way that are under DOT jurisdiction and maintained by DPR, which typically alter existing street geometry. Greenstreets shall not include Vegetated Stormwater Source Control Systems funded by the New York City Department of Environmental Protection pursuant to a three-party Memorandum of Understanding dated November 9, 2011, as may be amended; and

**WHEREAS**, DPR and DOT have compiled a comprehensive list of Greenstreet sites, which is attached hereto as Exhibit A (collectively, "the Sites"), and

**WHEREAS**, DPR and DOT have agreed to specific tasks to be performed by each party with regard to the Sites as described herein.

**NOW THEREFORE**, in consideration of the benefits to the public, each of the parties to the MOU agrees as follows:

1. DPR and DOT certify the Sites listed on Exhibit A as Greenstreets. A DPR licensed engineer or landscape architect has confirmed that each Site is DOT property maintained by DPR. Any previous Greenstreet site list(s) are hereby superseded by Exhibit A.
2. DPR and DOT acknowledge that the Sites will always remain as DOT jurisdictional properties, available for DOT purposes and uses as needed. DPR and DOT further acknowledge that the Sites are not intended to be formal or implied dedicated parklands.
3. The parties agree that DPR shall have operational management over the Sites for the purpose of enforcing DPR rules and regulations pursuant to Section 533(a)(9)

of the New York City Charter, including the regulation of any DPR permitted and/or regulated activities requiring the issuance of permits. DOT shall continue to regulate the rights of way in and around the Sites pursuant to Section 2903 (a) and (b) of the New York City Charter.

4. Prior to any new site being designated as a Greenstreet, or any Site(s) being modified as a Greenstreet, the parties agree to the following:
  - a. DOT will endeavor to confirm that site locations will not be impacted by DOT planned work within a 5-year period after the construction of a site. DOT reserves the ability to use the property for DOT purposes and uses as needed in the event of an emergency within the 5-year period after construction.
  - b. DPR will confirm that the site is DOT property based on information found at the Borough President's Topographical Unit.
  - c. DPR shall provide DOT with any and all supporting documentation, including but not limited to any plans, drawings, and scope of work necessary to review the proposed Greenstreet, or the modification or removal of a Site(s).
  - d. DOT shall review the supporting documentation and provide DPR with a written approval or disapproval.
5. In the event that any Site(s) is removed as a Greenstreet, the parties agree to the following:
  - a. DOT shall notify DPR pursuant to Paragraph 18 below of any such removal.
  - b. DPR, in consultation with DOT, shall make all reasonable efforts to remove the Site(s) from the Greenstreets inventory within a reasonably prompt time period from the date of notification.
6. DPR will submit a revised Exhibit A to DOT in January and July of each year this MOU is in effect, reflecting any newly constructed Site(s) or removed Site(s) that have been reviewed and approved by DOT. Any such revised Exhibit A shall supersede any previous Site list(s).
7. In the event that DOT directs DPR to return a Site(s) for DOT purposes, DPR shall be responsible for returning the Site in its current or original condition at the time of the request, as agreed upon between DPR and DOT.
8. DPR will be solely responsible for obtaining funding and providing all work required for the establishment of the Sites.

9. DPR will be solely responsible for obtaining funding and providing all work required for the maintenance of the Sites, which shall include, but not be limited to, cleaning, planting, care, and cultivation of the Sites.
10. DPR and/or its agents will assume responsibility for curb and/or sidewalk repair and maintenance within the Sites, but not for the sidewalk between the Site(s) and the adjacent property, except when sidewalks or paths are within a self-contained Greenstreet. Agents can include City agencies, other than DOT, which agree to perform such work for DPR.
11. DPR and/or its agents will provide for regular trash removal within the Sites and will be responsible for snow removal for pathways within the Sites and any pathways between the curb and the Sites, but not any pathways and/or sidewalks between the Site(s) and adjacent property, except when sidewalks or paths are within a self-contained Greenstreet. Responsibility for trash and snow removal will not supersede existing city law for determining adjacent property owner responsibility.
12. DPR and/or its agents shall comply with any and all DOT permits. All contractors hired to perform work at the Sites shall be required to indemnify and hold the City harmless in relation to the work performed at the Sites. In addition, all contractors will be required to provide insurance in conformance with standard insurance protocols.
13. In the event that a tort claim or an action is commenced in relation to the Sites, DPR shall act as the liaison agency for the New York City Law Department.
14. DPR shall have the right to enter into agreements with other entities for sponsorship and/or maintenance of the Sites upon prior written notice to DOT, consistent with other DPR maintenance and sponsorship agreements. DOT shall have the right to direct DPR to terminate any such agreements upon thirty (30) days written notice.
15. This MOU shall be terminable in whole or in part, by either party in his or her sole discretion, upon thirty (30) days written notice to the other party.
16. Upon termination of this MOU, DPR will make reasonable efforts to return the Site(s) to the condition existing prior to the transformation of the Site(s) to Greenstreet sites and in compliance with the New York City Administrative Code or, at DOT's option, DPR shall return the Site(s) in its current condition at the time of the request.
17. DPR may, from time to time, temporarily designate a name to a Site(s) upon consultation with DOT. The designation of a temporary name shall not in any manner affect DOT's exclusive jurisdiction of the Site(s) or DOT's authority to direct DPR to remove the Site(s) from **Exhibit A**, as more fully set forth in

paragraph 4 of this MOU. Additionally, the designation of a temporary name shall not imply that such Site(s) is intended to be formal or implied dedicated parklands. Any signage used for such temporary designation must comply with DPR standards, provided DOT has no objections.

18. All notices between the parties shall be in writing sent by email, or certified mail, return receipt requested, or by facsimile, or personally delivered: Any change of address and/or other contact information shall be designated by written notice to the other party.

To DPR:	To DOT:

19. **No Third Party Beneficiary.** This MOU shall be binding upon and for the benefit of the parties hereto and each of their respective successors and permitted assigns. The provisions of the MOU shall be solely for the benefit of the parties hereto and no other person or entity shall be a third party beneficiary hereof.
20. **Modifications.** This MOU may not be modified or amended except by written agreements executed by each Party hereto.
21. **Entire Agreement.** This MOU and the attachments hereto contain all the terms and conditions agreed upon by the parties hereto, and no other agreement, oral or otherwise, regarding the subject matter of this MOU shall be deemed to bind any of the parties hereto or vary any of the terms and conditions contained herein.

[REMAINDER OF PAGE INTENTIONALLY OMITTED]

**IN WITNESS WHEREOF**, DOT and DPR have executed this MOU on the day and year first above written.
