Fort Washington Park

Increase playground and active recreation areas:
Add a playground and comfort station to the south end of the park; improve the volleyball area and athletic fields

Improve forest health:
Remove invasive trees and vines; enhance habitat for birds

Enhance the shoreline and natural areas: Improve access to beaches and rock outcroppings, improve shoreline stability through addition of boulders and plantings

Create opportunities for adventure:
Activate the isolated section of the park east of the Henry Hudson Parkway, consider activities such as skateboarding, and BMX biking

Improve connections to the community and other parks:
Construct handicapped accessible, well lit and safe connections to the waterfront from the community; reduce bicycle and pedestrian conflicts; improve perimeter appearance
Community Concerns reported on *All Our Ideas*

Each “word cloud” shows the top ten concerns people mentioned. If the type is larger, it means the item has a high probability of being requested by other community members.
Community Parks

Community Concerns as reported on All Our Ideas

Adjacent community and small parks

- Restore Riverside oval
- Improve Broadway greenway
- Improve bike/pedestrian safety
- Plant more flowering plants
- Improve visibility into park
- Improve 155th crossover safety
- Provide more children's play areas
- Improve forest health and ecology
- Improve park cleanliness
- Provide more trash cans

- Improve path conditions
- Provide more children's play areas
Fort Washington Park
South

Physical Issues South

- Improve bicycle and pedestrian connections to the George Washington Bridge, the waterfront and the Little Red Lighthouse
- Opportunity for continued improvement to park perimeter
- Restroom facilities at recreation and play areas needed to enhance public enjoyment
- Improve pedestrian and ADA compliant access
- Opportunity for more landscape beauty and seasonal interest
- Recreation center needs reorganization to improve use
Fort Washington Park

- Improve active and passive recreation areas
- Improve park access from the community
- Improve and connect the north-south bikeway
- Restore the health of the forest and ecologies
- Improve shoreline access

Improve bicycle connections to George Washington Bridge

Restore comfort station and stairs

Simplify and improve pedestrian and bicycle route to the Hudson shoreline and activate this area

Create kayak landing

Renovate ballfields for baseball and soccer

New comfort station

New playground

Create ADA compliant route from 163 Street to Fort Washington Park, use the existing step ramp

Small-boat launch and storage

Improve perimeter appearance

Improve pedestrian approach under Riverside Drive and across on-ramp

Improve pedestrian crossing

Create green corridor to link J. Hood Wright Park to Highbridge Park

Reconfigure playground and comfort stations, improve sight-line, play, and parking

Rearrange interior spaces to improve use areas

Improve dog run appearance

Improve perimeter appearance

Improve park landscape beauty

North

Concerns as reported on All Our Ideas

- Increase police presence
- Provide restroom south of Dyckman
- Add pedestrian bridge across HRParkway
- WATERFRONT ACCESS for FISHING BOATING HIKING BIKING WALKING FROM LIGHTHOUSE TO DYCKMAN MARINA
- Add formal garden
- Remove parking lot
- Improve and winterize rest areas
- Provide more trash cans
- Improve forest ecology and beauty
- Improve bike/pedestrian safety

- Mark and enforce "no bikes" on pedestrian paths
- Enforce dog-waste dog-fight leash laws
- Redo 181st street pedestrian/bike bridge
- Increase police presence
- Educational vegetable garden
- Coordinate volunteer ground maintenance
- Footbridge across highway
- Restore pathway lighting
Community Parks

Concerns as reported on All Our Ideas

Adjacent community and small parks

- Improve visibility into park
- Add work-out equipment, pullup bars, parallel bars, monkey bars
- Improve path conditions
- Improve Bennett Park's perimeter
- Improve bike/pedestrian safety
- Improve park lighting
- Improve bicycle path continuity
- Provide more restrooms

Map highlighting Dyckman and Tyon Park areas with 180 degrees indicator.
Fort Washington Park
North

- Control invasive plants to improve forest health
- Opportunity to continue shoreline pathway to Little Red Lighthouse
- Overgrown landscape blocks scenic views
- Control invasive plants to improve forest health
- Opportunity to expand waterfront uses
- Opportunity for continued improvement to park perimeter
- Gorman Park: Opportunity for more seasonal beauty and improved sightlines
- Restore stairs, structures and historic walls
- Opportunity for continued improvement to park perimeter
- Restroom facilities at recreation and play areas needed to enhance public interest
- Improve the intersection
Fort Tryon Park

- Continue restoration of historic Olmsted Brothers' landscape in accordance with existing master plan
- Expand uses of playground areas
- Increase management of invasive trees for forest health and views
- Restore historic structures and use them

Reconfigure path for decreased grade
Extend shoreline walkway
New pedestrian bridge
Open views to Hudson River
Restore overlook pavilion
Manage wooded slopes for invasive control and views

Light the arcade

Configure playground and comfort station to improve sight lines and play value
Improve perimeter condition
Fine tune recreational uses to maximize play and fitness opportunities for children and adults

Improve path sightlines and landscape beauty
